Jericho Baseball Field Procedures

In order to maintain our fields during the baseball season and to preserve them for future use, all teams are requested to follow some maintenance procedures with respect to fields for the upcoming season.

*** Please note: Home team rules still apply and will be responsible for ensuring fields are "ready-to-play" before start time. Home team also ensures boxes/cages are locked & lights are off at end of day.

Carnarvon NE
Last game or practice each evening, home team is responsible for:

- Raking infield (home plate area, base paths, infield drag)
- Rake and tarp bullpen mounds (mounds are now Red Gold based and should be tarped to prohibit deterioration)
- Tarp pitcher's mound and home plate area daily irrespective of weather.
- Please replace rakes/bases/gear in boxes properly
- Ensure batting cage is tidy and balls are returned to the bucket for next use.

Jericho
Last game or practice each evening, home team is responsible for:

- Raking infield (home plate area, base paths, infield drag)
- Tarp pitcher's mound and home plate area daily irrespective of weather.
- Please replace rakes/bases/gear in boxes properly

Carnarvon NW
Last game or practice each evening, home team is responsible for:

- Raking infield (home plate area, base paths, pitcher's mound)
- Please replace rakes/bases/gear in boxes properly

Upper Trimble East
Last game or practice each evening, home team is responsible for:

- Raking infield (home plate area, base paths, pitcher's mound)
- Please replace rakes/bases/gear in boxes properly

Upper Trimble West
Last game or practice each evening, home team is responsible for:

- Rake home plate area
- Please replace rakes/bases/gear in boxes properly
- Ensure Blastball equipment stays in West box, Minors C equipment in East Box.

Lower Trimble Batting Cage
***Please note: Lower Trimble batting cage will hold Tee Ball equipment. Do not remove equipment from cage

- Cones, tees, baseballs to be stored in Jobox outside of cage
- Bownets and pitching machines to be stored inside cage
- Paint liner/string for all Trimble fields will be stored at Trimble batting cage.
- Place empty cans in trash bucket provided
