

## **Majors Sunday In-Season Travel Series**

### **ABOUT THIS PROGRAM**

The little league season is short and goes directly into summer tournament play. The Majors Sunday In-Season Travel Series is designed to provide additional development opportunities and to help prepare them for tournament team play by participating in a weekly game versus other Little League organizations throughout the Lower Mainland. Two groups will be formed - a 11 / 12 age group and 9 / 10 age group. The program will run from April 16 to June 4.

### **ELIGIBILITY AND INVITATION**

Based on the pre-season assessment, 18 to 20 players for each age group will receive an "invitation". This will ensure players of similar skills level are playing with and against each other. A player receiving an invitation for the program, may not necessarily receive an invitation for summer tournament teams. And vice versa, a player not participating in the program is still eligible to try-out for the various summer tournament teams.

Players not receiving an invitation are encouraged to register for one of the "open" Sunday training sessions.

### **PLAYER COMMITMENT**

There will be a game or training every Sunday. Some travel will be required to visit other little leagues for games. All players for each age group will train together. For games versus other little leagues will select 10 – 11 players per game. The selection will be based on player availability and rotation to ensure all players get an equal amount of play time.

### **PARENT COMMITMENT**

Each team relies on parent volunteer coaches and team manager. Post-Training / Game field maintenance is also required by parent volunteers.

### **GAME STRUCTURE**

Games will be designed to reflect tournament rules, subject to each pitcher being limited to 1 -2 innings maximum per game. The goal is for development, opposed to results at this stage.

### **COORDINATOR**

If you have any questions about this division, please send an email to the League Administrator, [admin@jerichobaseball.com](mailto:admin@jerichobaseball.com).
