Jericho Little League Sponsorship Opportunities

Jericho Little League is much more than bats and balls. It is a leadership training program that instills the virtues of character, teamwork and loyalty. Our Little League program teaches children the rewards of teamwork, respect and sportsmanship that will enable them to become the leaders of tomorrow.

Operating on the Kitsilano / UBC area of Vancouver, we are a not-for-profit organization that supports approximately 500 players and 350 volunteers annually. Jericho has been chartered by Little League Baseball since 1999.

Sponsorship funds will ensure that our league is able to continue to provide programming to children ages 3-12.
